I.B

JARED (CONT)

well, only our two lovers aren't aware of it. Poor things haven't a clue they're actually brother and sister! And why not? Because of your shrewd cunning, my dear. (CLAPS) You really must take a bow on this one. (ON SYDNEY, CUT TO: 1B: ER

WAITING ROOM: DANNY AND MOLLY ARE WITH THE DOCTOR OUTSIDE JOANNA'S CUBICLE. MID-CONVERSATION)

DOCTOR

...I have to get back now.

(DANNY NODS GRAVELY)

MOLLY

Thank you, doctor. (DOCTOR EXITS TO CUBICLE AS MOLLY COMFORTS DANNY AND THEY CROSS BACK TO WAITING AREA) I know this is hard, but we have to keep thinking positive, because ... (THEY'RE INTERRUPTED AS ALEX AND JOCELYN ENTER)

Unfortunately, we still don't know anything more. At this point we have to wait and see. She's drifting in and out of consciousness, but that could be either good or bad. We're called in an overdose specialist,

New York, I also have welfare patients

JOCELYN

Danny! Have you heard...?

DANNY

You just missed the doc. He's  
called in a specialist...  
they're still working on her.

ALEX

What's the prognosis?

DANNY

They're not sure.

MOLLY

Your mom keeps drifting in and  
out of consciousness...

JOCELYN

That's a good sign, isn't it?

MOLLY

The doctor said it could mean a  
lot of things.

JOCELYN

(LOOKS AROUND) Where's Dad?

DANNY

(RE: CUBICLE) Creep muscled his  
way in while Molly and I were  
at the cafeteria. Guy's got no  
business getting anywhere near  
her. (ALEX AND MOLLY HANG BACK

AS JOCELYN DRAWS DANNY ASIDE)

JOCELYN

Danny, it's not his fault. At least not this time. See, Mom and I had a fight at the apartment. Just before she... before it happened.

DANNY

That stuff you were calling out to her earlier... about being sorry for what you said...

JOCELYN

(NODS) I was trying to get back at her for something. I... I said some things I shouldn't have. I was so cruel to her...

DANNY

What exactly did you say?

(DOCTOR ENTERS WAITING AREA, FOLLOWED BY AN UNREADABLE LOU. ON JOC AND DANNY, FADE OUT.)

BRIDGE TO:

COMMERCIALS.

ACT TWO

(2A: ER WAITING AREA: DOCTOR  
BREAKS THE GOOD NEWS TO DANNY  
AND JOCELYN AS MOLLY, ALEX AND  
LOU WATCH ON. MID-CONVERSATION)

DOCTOR

She's stable and her vital  
signs are good, considering.

-----PC

DANNY

I don't get it. Just a minute  
ago you weren't even sure if  
she was going to make it.

DOCTOR

(*disend*)  
Yes, but now that she's awake  
and alert... I know it's  
(*his just a kid, he doesn't know any better*)  
sudden, but that's the way it  
is sometimes with these cases.

-----IN

JOCELYN

She's going to be all right?

DOCTOR

Physically? Yes... but I have  
to tell you, if your father  
hadn't found her when he did... *She wouldn't have made it  
to the hospital.*

DANNY

Can we see her?

DOCTOR

Not for long, but, yes, I think  
it'd be helpful. She's been  
asking for you both... Just  
remember she's very weak.

DANNY

Gotcha. (DOCTOR EXITS. DANNY  
AND JOCELYN MOVE TOWARD CUBICLE  
BUT LOU BLOCKS THEIR WAY)

DANNY

Out of our way.

LOU

I don't think this is a good  
idea.

DANNY

Who asked you?

JOCELYN

I want to see her, Daddy.

LOU

I'd rather you didn't.

ALEX

The doctor said it was okay,  
Mr. Roberts.
